The Palouse-Clearwater Food Coalition (PCFC) is an ad hoc group comprised of individuals and representatives from regional and community organizations, agencies, non-profits and retail businesses with shared interest in growing our local food systems. Established in 2012, our mission is to *strengthen the health and vibrancy of the Palouse-Clearwater Food System and increase the production, distribution and consumption of locally grown food and agriculture products*. PCFC sponsors an annual Palouse-Clearwater Food Summit, co-hosts regional food and farming events and advocates for increased collaboration across the food system. Our focus areas include:

- 1) Local Food Production & Processing
- 2) Hunger, Food Access and Nutrition
- 3) Economic Development and Regional Co-Marketing
- 4) Networking and Policy Advocacy
- 5) Outreach and Education

We welcome your participation and membership in PCFC. There are two types of membership: Individual and Organizational. Both require a commitment to PCFC's mission and participation in PCFC programs/events or a financial contribution (see donation instructions below). Membership is renewable annually.
